

NOTICE

DEPARTMENT OF JUSTICE

Amended Notice Of Lodging Of Proposed First Amendment To Consent Decree Under The Clean Water Act (“CWA”)

On May 19, 2015, the Department of Justice lodged a proposed First Amendment to Consent Decree with the United States District Court for the District of Columbia, in the lawsuit entitled *United States of America v. District of Columbia Water and Sewer Authority, et al., and the District of Columbia*, Civil Action No. 1:00-cv-00183 (TFH).

The proposed First Amendment to Consent Decree, if approved, will amend and supersede the 2005 Clean Water Act Consent Decree in the same action. Under the 2005 Consent Decree, DC Water was required to implement its Long Term Control Plan (LTCP) which primarily consisted of the construction of a system of pumps and three underground storage tunnels to store excess flows pending treatment. The proposed Amendment provides for the incorporation of Green Infrastructure (GI) in the Potomac River and Rock Creek sewersheds, reduction of the size of the tunnel in the Potomac River, and construction of facilities at the Blue Plains wastewater treatment plant including a Tunnel Dewatering Pumping Station and an Enhanced Clarification Facility. Construction of the Anacostia tunnel has begun according to schedule and will not be affected by this proposed Amendment. The final compliance date of 2025 imposed in the 2005 Consent Decree would be extended to 2030.

On Tuesday, May 26, 2015, the United States published a notice in the Federal Register (80 Fed. Reg. 30094), opening a 30-day period for public comment on the proposed First Amendment to Consent Decree. By this notice, the United States is extending that public

comment period for an additional 30-days, for a total of 60-days from the original May 26, 2015 publication. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to *United States of America v. All comments must be submitted no later than sixty (60) days after May 26, 2015. Comments may be submitted either by e-mail or by mail:
